The screenshot shows a web browser window with a Moodle course page. A modal window titled "Editor HTML" is open, displaying the following HTML code for a YouTube embed:

```
<iframe width="560" height="315" src="https://www.youtube.com/embed/19wSPU0nb2I?start=33" frameborder="0" allow="accelerometer; autoplay; encrypted-media; gyroscope; picture-in-picture" allowfullscreen></iframe>
```

At the bottom of the editor window, there are two buttons: "Atualizar" (highlighted with a blue arrow) and "Cancelar". The background Moodle page shows a course structure with various sections and activities.

Bom trabalho!
